WRITE!

Highlighting the key benefits of Hawker Brownlow's evidence-based, explicit teaching suite of educational products!

- ✓ **PERSONALISED ASSESSMENTS**
Identify students' strengths and weaknesses for individualised learning paths.
- ✓ **STRATEGIC REMEDIATION**
Offer structured lessons that build foundational skills, ensuring every student has a pathway to success.
- ✓ **DEMONSTRATION OF MASTERY**
Enable students to display a high level of understanding and skill through comprehensive summative assessments.
- ✓ **INFORMED DECISION MAKING**
Empower educators with detailed reports on student progress, facilitating informed instructional decisions.
- ✓ **FOCUSED INTERVENTION**
Provide evidence-based strategies to address specific learning needs and developmental challenges.
- ✓ **CONTINUOUS PROGRESS MONITORING**
Utilise ongoing assessments to track student improvements and adjust instruction as needed.
- ✓ **ENGAGING INSTRUCTIONAL MATERIALS**
Feature rich and compelling content that motivates students to achieve their best.
- ✓ **BUILD CONFIDENCE AND COMPETENCE**
Boost student self-esteem and academic success through mastery.

CARS & STARS Collection

The CARS & STARS series is committed to enhancing the reading comprehension skills of young readers, including those facing difficulty in understanding written materials. The structured program takes an immersive approach to imparting 12 essential reading strategies. It is welcoming for teachers and parents, offering clear guidance and extensive practice to help students master the crucial strategies and ensure their future reading success.

DISCOVER THE DIGITAL JOURNEY

Are you looking for a digital version of the CARS & STARS and FOCUS on Reading programs? Our interactive and diverse digital content caters to all ages, making it ideal for both classroom enrichment and at-home learning. With CARS & STARS Online, tracking progress is a breeze, ensuring a smooth ride towards reading excellence. Get ready to navigate the exciting world of literacy where every click leads to discovery and growth.

Please visit <https://www.hb-digital.com.au/free-trial> or scan the QR code to sign up for our 30-day free trial.

CARS[®] Plus

The research-based Comprehensive Assessment of Reading Strategies (CARS) series helps you quickly identify which of the 12 standards-based reading comprehension strategies your students might be struggling to understand.

Informed by this data, you can then provide students with targeted instruction depending on each student's individual needs by using STARS. This assessment module comprises 5 Benchmarking tests and 5 Post-tests.

To learn more, and download the CARS Catalogue, scan the QR code.

STARS[®] Plus

Strategies to Achieve Reading Success (STARS) provides explicit direct instruction in the 12 core reading strategies tested in CARS. Each research-backed lesson is broken into five parts that provide a gradual release of responsibility and an increase in student confidence.

This ten-level series is also designed for students in years F to 8. The STARS series provides precise instruction in and practice with the strategies students need to master to achieve reading success.

To learn more, and download the STARS Catalogue, scan the QR code.

FOCUS[®] on Reading Series

FOCUS on Reading series is perfect for students struggling with or needing more practice in one of the 6 core reading comprehension strategies.

The series has eight levels (A-H, with A correlating to about a year 1 reading level), and each is linked directly to and reinforces the reading strategies explored in the CARS & STARS program. This series is designed for flexibility and can be used at any time to provide concentrated practice in the targeted strategies either to an entire class or for individual students.

To learn more, and download the FOCUS on Reading Catalogue, scan the QR code.

EXTENSIONS IN READING

The **Extensions in Reading** books are for students looking for extra practice in the 12 reading and comprehension strategies. This series consists of eight levels (A-H) that apply and extend the 12 strategies taught in the CARS & STARS program.

Students apply the 12 strategies to varied reading selections of substantial length. By reading different kinds of written works, students broaden their awareness of the forms of fiction and nonfiction that provide information, new ideas and reader enjoyment.

To learn more, and download the Extensions in Reading Catalogue, scan the QR code.

CAMS, STAMS and Solve Collection

CAMS, STAMS & Solve is a comprehensive year-long program. CAMS is the assessment portion, STAMS is the instruction and Solve is extra practice. STAMS and Solve teacher guides provide links to interactive whiteboard lessons that accompany each lesson. CAMS student assessment results can be entered on forms provided in teacher guides or in the CAMS & STAMS Online: Reporting Tool software.

EXTENSIONS

CAMS[®] plus

Comprehensive Assessment of Mathematics Strategies (**CAMS**) gives you the information you need to target instruction and measure progress in topics that align with Australian Curriculum content descriptions. Diagnose students' difficulties in the key standards-based skills. Quickly identify which of the 16 fundamental maths concepts and skills your students find most difficult and use the results to monitor progress through the STAMS program.

To learn more, and download the CAMS Catalogue, scan the QR code.

STAMS[®] plus

Strategies to Achieve Mathematics Success (**STAMS**) helps educators teach key fundamental maths skills and concepts for each year level and provide explicit instruction to thoroughly address on-level Australian Curriculum content descriptions. Ideal for students who need extra support to meet year-level maths requirements. Enhance instruction with STAMS Interactive Whiteboard (IWB) lessons.

To learn more, and download the STAMS Catalogue, scan the QR code.

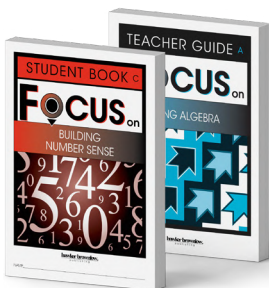

Solve[®]

Designed to provide concentrated mathematics practice in the key skills and concepts students need to master at each year level, **Solve** provides students with carefully scaffolded and sequenced practice in the maths skills they need to understand to progress. The flexible practice book can be used on its own or with the STAMS instructional series to reinforce fundamental skills. Enhance instruction with STAMS Interactive Whiteboard (IWB) lessons.

To learn more, and download the Solve Catalogue, scan the QR code.

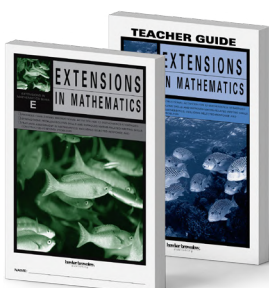

FOCUS[®] on Mathematics Series

FOCUS on Mathematics is a maths-strategy practice series that aids all students, including those who might be struggling, to achieve mathematical success. The **FOCUS on Mathematics** series makes maths mastery attainable by providing semi-concrete tools for students to use in identifying more complex maths strategies. With repeated practice and exposure, students become confident in their ability to use strategies to solve maths problems.

To learn more, and download the FOCUS on Mathematics Catalogue, scan the QR code.

EXTENSIONS IN MATHEMATICS

With step-by-step instruction and thorough practice, support students as they develop into strategic, thoughtful and confident thinkers with **Extensions in Mathematics**. Students are guided in applying the strategies used by successful thinkers and then fill in graphic organisers as they learn how each strategy connects to ideas and information in numeracy.

To learn more, and download the Extensions in Mathematics Catalogue, scan the QR code.

BRIGANCE Collection

For nearly five decades, the BRIGANCE toolkit has been the go-to choice for educators seeking top-quality assessment, screening and instructional tools tailored to their students' needs. Structured into two categories, Early Childhood and Special Education, the BRIGANCE series presents a holistic view of student development, from preschool through to young adulthood.

Early Childhood Screens III (Birth – 6 years)

The Screens provide quick, easy and accurate screening of skills that are critical predictors of school success, including physical development, language, academic cognitive, self-help and social-emotional skills—all in just 10–15 minutes per child.

Screens III: Data Sheets, Technical Manual and Box of Materials

The results of Screens III are recorded in the concise and easy-to-read Data Sheets that match to each Screen.

The Brigance Screens III Technical Manual is an extensive and valuable resource for any educator or professional using the Brigance Screens III. The Brigance Screens III Box of Materials is a handy toolkit containing all the materials you need to administer these comprehensive and unique screening instruments with young children.

Readiness Activities Inventory (3–7 years)

The BRIGANCE Readiness Activities Inventory offers over 300 developmentally appropriate activities that cover a broad range of skills to ascertain children's school readiness in a variety of different areas, as well as detailed learning objectives, sequences of skills and teaching strategies to support their administration.

BRIGANCE Online Management System (OMS)

The powerful, easy-to-use BRIGANCE Online Management System (OMS) is available for both BRIGANCE Early Childhood OMS III and BRIGANCE Special Education OMS II. The OMS guides administrators and teachers step by step through each process, ensuring consistent and accurate data and reports.

The Early Childhood OMS III covers: Screens III, Self-help & Social-Emotional Form, Family Connections and Readiness Activities that Correlate to Inventory of Early Development III.

The Special Education OMS II covers: CIBS II, CIBS Standardised II, TSI, Family Connections and Readiness Activities that Correlate to CIBS II.

Inventory of Early Development (IED) III

Assess the strengths and needs of students functioning below the developmental age of 7 years 11 months, monitor individual progress toward learning goals and plan developmentally appropriate, individualised instruction with the comprehensive, user-friendly Inventory of Early Development III – Special Education.

IED III: Record Book, Standardisation Manual and Box of Materials

The Brigance Inventory of Early Development III (IED-III) Record Book provides a handy record-keeping solution for the assessments so that professionals administering them can have a complete picture of a student's development across multiple domains. The IED-III Standardisation and Validation Manual is the complete guide to the science underpinning this trusted developmental assessment tool and the research behind it. The IED-III Box of Materials contains items needed for administering the IED-III with children in the quickest and simplest fashion.

Comprehensive Inventory of Basic Skills (CIBS) II

Easily assess students' strengths and needs in the classroom. Based on over 30 years of research and experience in special education, the BRIGANCE Comprehensive Inventory of Basic Skills (CIBS) II is a comprehensive assessment tool. CIBS II is available in norm-referenced and standardised versions.

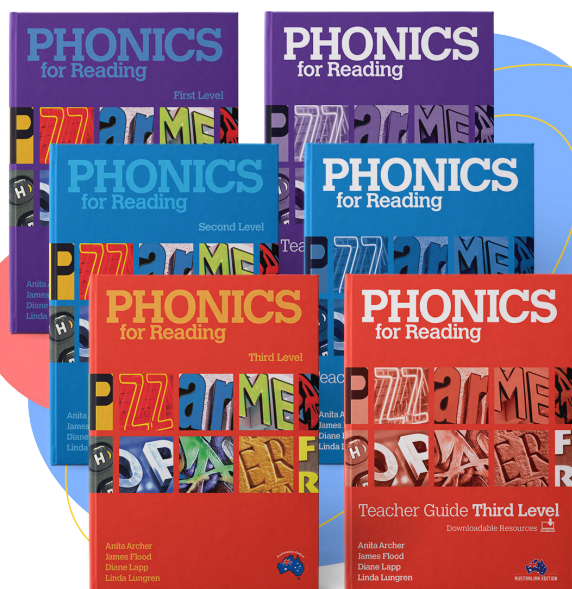

Transition Skills Inventory (TSI) and Activities (TSA)

The BRIGANCE Transition Skills Inventory (TSI) helps educators easily assess independent living, employment and additional post-secondary skills to support transition planning for middle-years and secondary-school students.

The Transition Skills Activities (TSA) provides lessons in key transition skill areas, including employment, independent living, community participation and additional post-secondary skills.

PHONICS for Reading

Anita Archer, Ph.D.

The three-level structured **PHONICS for Reading** series helps build phonemic awareness, decoding and fluency skills to strengthen reading comprehension in those who might be struggling. It includes systematic, explicit instruction that builds confidence and motivation. The books are specifically designed to appeal to older students but can be used across the curriculum and year levels to bring instruction to the students who need it most, regardless of age.

With its age-appropriate content and illustrations, **PHONICS for Reading** is designed to ensure that students in Year Levels 3–12 feel comfortable and, more importantly, empowered by their foundational skills instruction.

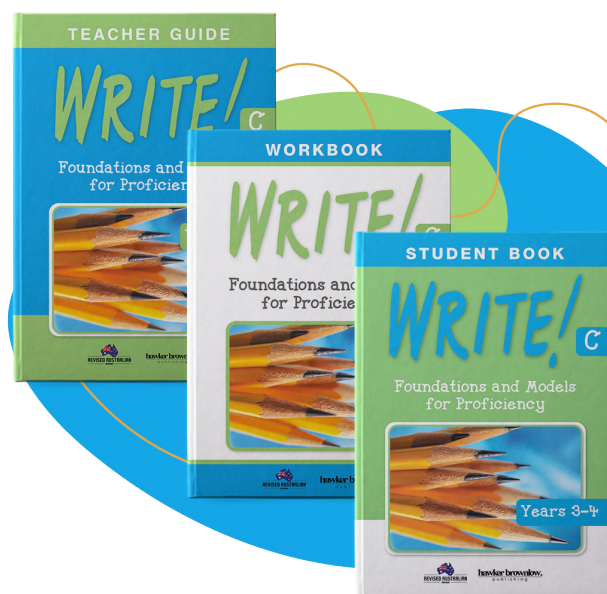

- **First Level** (30 teacher-directed lessons)—focuses on short vowels, consonants, consonant blends, and digraphs.
- **Second Level** (32 teacher-directed lessons)—progresses with vowel combinations, r-controlled vowel sounds, common endings and CVCe words.
- **Third Level** (36 teacher-directed lessons)—expands concepts with vowel/letter combinations, common prefixes and suffixes, minor consonant sounds for c and g, and minor vowel sound combinations.

To learn more, and download the PHONICS for Reading Catalogue, scan the QR code.

WRITE!

The **WRITE!** series is a research-based writing program with a foundation in grammar, usage and mechanics (GUM). Comprising eight books (Books A–H), the program gives primary and early high school students the tools they need to improve their writing skills and raise their scores on standardised tests such as NAPLAN.

WRITE! is a versatile resource suitable for all students seeking to enhance their writing skills. It offers a user-friendly platform for skill development and is adaptable to accommodate students of varying backgrounds and skill levels.

- **Student Books:** 30 GUM lessons, 6 writing lessons (4 in levels A and B), 1 research report lesson (levels C–H), rubric-scored writing (levels C–H).
- **Workbooks:** Blank student response templates (levels C–H).
- **Teacher Guides:** Suggestions and instructions for using the program, additional graphic organisers and writing prompts, instructional reproducibles, answer keys.

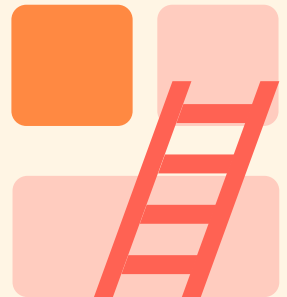

To learn more, and download the WRITE! Catalogue, scan the QR code.

Learning A-Z

Learning A-Z delivers effective, affordable and easy-to-use supplemental primary-level resources that can be used anywhere learning takes place.

If you're like most PreK-6 teachers, you're spending way too much time searching for supplemental literacy materials. You need vetted resources that are easy to access, proven to engage students and designed to meet today's learning goals. Learning A-Z can help you connect the dots.

What's New

Vocabulary A-Z Lessons Now Available to All Raz-Plus Users

No extra subscription needed. All Raz-Plus users can now access and download ready-made Vocabulary A-Z lessons.

New Homepage and Literacy Domain Navigation

Get to the right resource faster. The redesigned homepage includes simple filters across key literacy domains.

Smarter Menus, Faster Planning

Essential tools like ELL, Español and Assessments are now easier to find. We've grouped resources where teachers naturally look first.

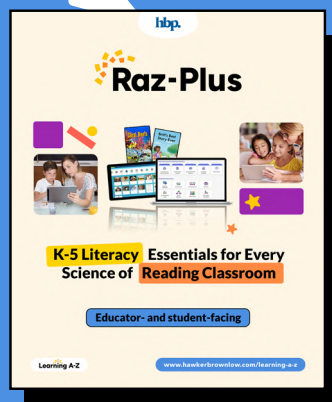

Explore Our Products

Raz-Plus

Year Level

Pre F-6

The practical all-in-one K-5 supplemental literacy solution that provides teachers with everything they need to support their instruction.

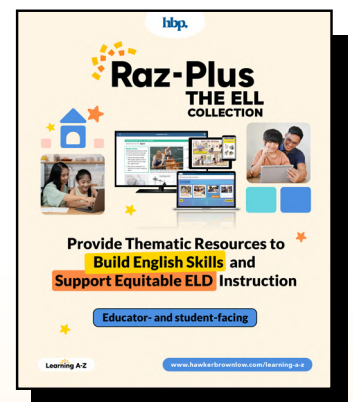

Raz-Plus THE ELL COLLECTION

Year Level

Pre F-6

The ELL Collection builds English language skills with Raz-Plus texts and ELL scaffolding, supporting multilingual learners through thematic, equity-based resources.

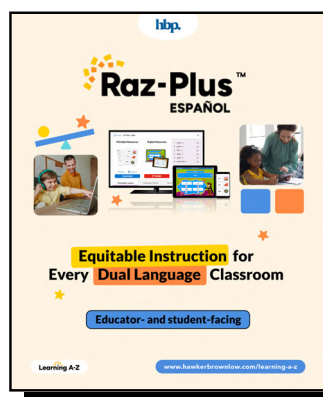

Raz-Plus™ ELL

Year Level

K-6

Enable educators to deliver engaging lessons that enhance students' reading, writing, listening, and speaking abilities at different stages of English language development.

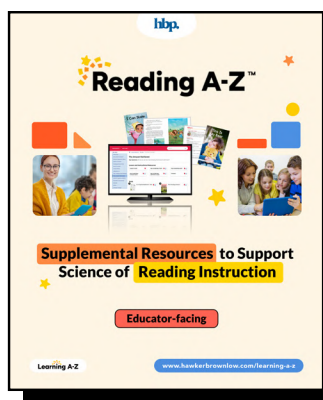

Raz-Plus™ ESPAÑOL

Year Level

Pre F-6

Nurture bilingual learning with an extensive collection of authentic Spanish texts and other transadapative resources written by Spanish-language authors.

Reading A-Z™

Year Level

K-5

K-5 resources to support differentiation best practices with high-quality, carefully curated books and resources, enabling teacher-led instruction and boosting student growth in literacy.

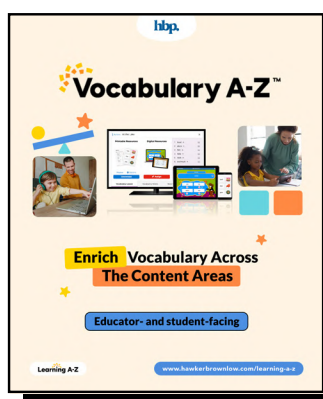

Raz-Kids™

Year Level

K-5

The independent digital-first reading tool that boosts K-5 engagement with an extensive library of books and activities to develop active reading strategies and student agency.

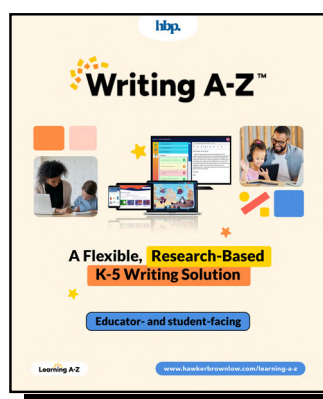

Vocabulary A-Z™

Year Level

K-5

The versatile K-5 vocabulary builder that helps teachers differentiate vocabulary, phonics, and spelling instruction with premade and customizable word lists, lessons, games, and quizzes.

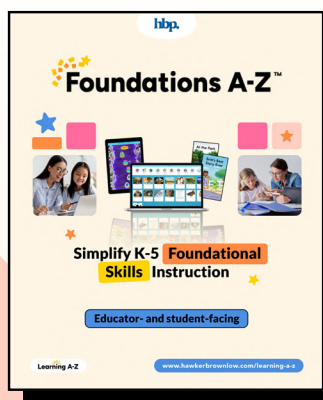

Writing A-Z™

Year Level

Pre F-6

The flexible, research-based K-5 writing solution built on the latest research and best practices to support instruction in essential composition and grammar skills that are critical to literacy success

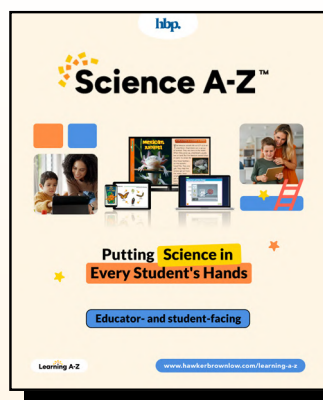

Foundations A-Z™

Year Level

K-5

K-5 resources to support differentiation best practices with high-quality, carefully curated books and resources, enabling teacher-led instruction and boosting student growth in literacy.

Science A-Z™

Year Level

K-6

The K-6 solution for interactive science instruction with an extensive collection of scaffolded texts, engaging activities, and hands-on experiments that make it easy to incorporate science into the classroom.

TERMS OF TRADE

- Prices are quoted in Australian dollars (\$AUD) and include GST.
- All prices are subject to change without notice.
- We understand it can be hard to choose a book without seeing it first. To help you decide, visit <www.hawkerbrownlow.com> to preview sample pages for most titles.
- We will supply our books on approval, and if they do not suit your requirements we will accept undamaged returns for full credit or refund. Posters are for firm sale only and will not be sent on approval. Please be aware that delivery and return postage is the responsibility of the customer.
- Freight costs are determined at Australia Post rates, with a minimum delivery charge of \$9.50 within Australia and \$15.00 for New Zealand for each order.
- Please provide your street address for delivery purposes.
- ABN: 15 629 535 548
